BUCHAREST

- **Bucharest** – Located in the southeast of Romania, nicknamed as "Little Paris". It is capital of Romania and the largest city in Romania, the political, economic and cultural and commercial center of the country. It is also one of the largest, most modern and fastest growing international metropolises in Europe, the sixth largest city in the European Union.

BRASOV

- **Bran Castle** – Also known as Dracula Castle, is one of the Most Iconic and Popular Attraction in Romania, the castle is estimated to be worth 25 million in USD. This 14th-century castle is the legendary vampire castle, is one of the leading characters of Bram Stoker's famous novel published in 1897, Dracula. The story background was set in the castle, and the host - Count Dracula is of the most iconic fictional characters of all time and is described as a centuries-old vampire with pointed ears and sharp teeth in the book. This novel has been put on the movie screen for many times and it's precisely because this story is deeply rooted in the hearts of the people that people have defined this castle as a vampire castle. In the castle, there is a total of 57 rooms and an abundance of hidden corners, a beautiful winding wooden staircase and an enormous number of weaponry and armor the dates back to the 14th to 19th centuries. The furnishings in the castle still well maintain as original appearance and well worth to pay a visit.
