- ◆ **Jiufen Old Street** - A place where you get a chance to taste the local snacks and foods of Taiwan such as Taro and Sweet Potato Ball etc.
- ◆ **Shifen Old Street** - Although the Shifen Old Street does not necessarily attract tourists due to its traditional architecture, it does boast the unique attribute of serving as the only old street in Taiwan, which trains pass through on a daily basis. As they happily enjoy delicious home-cooked noodles, visitors can enjoy the sight of trains passing along the unfenced railway gates.
- ◆ **Jingan Bridge** - The bridge is 128 meters in length, and is the junction bridge between Shifen Village and Nanshan Village. Constructed in 1947, the bridge was used for the transportation of coalmine back then. After mining has stopped, it has been renovated and repurposed as the bridge for pedestrians. It is located close to Shifen Station and the old street, with Keelung River beneath it, and the blue-white colored bridge hence became a popular spot for visitors to take photos.

YILAN

- ◆ **Experience DIY Scallion Pancake** - The farm owner personally takes visitors to the fields to experience the fun of picking onions, and provides an onion washing pool so that visitors can personally experience the fun and hard work of washing scallions. Finally they can make their own DIY Sanxing scallion pancakes.
